

LEIPZIG LIEST (LEIPZIG READS)

Leipzig Book Fair and Manga-Comic-Con offer much more than just exhibitions.

As an exhibitor, you have the option to present your authors, books and programmes in addition to your exhibition stand. A perfect option can be to organise an event at the Leipzig liest reading festival. For participation in Leipzig liest please note our Special Conditions of Participation.

Why is an event as part of Leipzig liest reading festival the ideal addition to your exhibition stand?

- Direct contact to readers (interaction)
- Discussions on the subject and content of the event or book
- In the forums at the fair, visitors can discover new stories and content.
- A wide variety of venues across the city add to the flair of events with their distinctive features.
- Savings on organisation and costs for events
- Opportunity to offer book sales and signings
- Visibility: Marketing for authors, books, companies and media attention if desired

Your event

You have various options to create your event in the allocated slot. It can be a reading, a panel discussion, an interactive exchange with visitors, an action programme for kids, a signing or lecture. Whatever you choose, the variety is what makes our programme special.

There are no restrictions from us on the content. When you register your event, you have the possibility to allocate it to the relevant theme and fill it with content. This means it can easily be found in the full digital programme using the available filters. After you are accepted as an exhibitor, you can submit your event request from October 1 to November 30, 2023. More information on how to register for signing sessions in our signing areas and how to register for special event formats will follow soon.

How many events can I register?

The number of events will initially be decided by the exhibitor. Depending on the size of the stand, we will try to allocate these to the venues we have available (see the events-per-stand table). In cooperation with the Leipzig liest team, it may be possible to request more events than would be available according to the allocation table.

There are various criteria to consider when deciding whether events can go ahead. These criteria include the topicality of the title as well as the relevance to current themes being communicated at Leipzig Book Fair (e.g. a focus on particular countries or subjects) and the availability of suitable venues.

The responsibility for carrying out the event lies with the respective organiser or the registering company according to section 2.9 of the Special Conditions of Participation.
