SELF-BUILD STAND

By registering a Self-build stand, you rent an empty exhibition space from us and are entirely free to plan your stand to your own specifications together with your trade fair construction partners. When choosing the Self-build stand option, you must take particular care to observe the Technical Guidelines in addition to the Conditions of Participation. There must be partition walls to the neighbouring stands. The stand plans must be submitted to our Event Technology Department in advance of the fair.

ADDITIONAL SERVICES

Depending on the size of your registered stand, you will receive a contingent of free exhibitor passes and the opportunity to register events in the program. Further information can be found in the Special Conditions of Participation.
